STUDIO INDIGO

ARCHITECTURALLY CREATIVE INTERIORS

Foreword **Nicolò Favaretto Rubelli**

Text **Mike Fisher**

A STUNNING PORTFOLIO OF RESIDENTIAL AND COMMERCIAL PROJECTS FROM AWARD-WINNING
INTERNATIONALLY RENOWNED DESIGN HOUSE STUDIO INDIGO

Founded in 2005 by architect and creative director Mike Fisher, Studio Indigo is an award-winning collective of dynamic architects, interior designers, technicians, and project managers, all under one roof—a uniquely collaborative approach that enables the creation of cohesive, superior spaces personal to each client.

This stunning volume presents a selection of the studio's projects, both residential and commercial, showcasing their much-lauded ability to reinterpret and redefine spaces with a quiet yet luxurious timeless elegance. From Victorian stucco houses and the glamorous conversion of abandoned artists' studios in London to the re-purposing of a quintessential English manor house in the Cotswolds and the creation of a luxury yacht, no two design projects are the same, but all share a combination of the best of historic and classical elements with the comfort and graciousness of modern living.

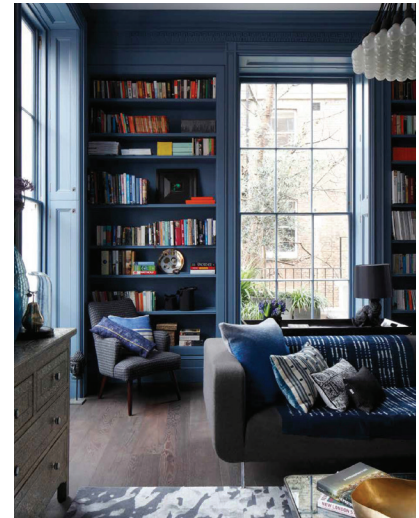

Highlighting the studio's diversity, architectural expertise, and attention to detail, down to the most sumptuous and stylish of materials, finishes, and textures, this curated portfolio celebrates Studio Indigo's trailblazing reputation as the future of integrated interior design across the globe.

ABOUT THE AUTHOR

MIKE FISHER founded Studio Indigo in 2005, with the objective of bridging the gap between architecture and interior design to provide a more holistic approach. Since those early beginnings, his ground-breaking studio has rapidly grown to a team of fifty, garnering accolades and an envious global reputation along the way.

With over 25 years' experience, Mike's approach to design is fluid yet practical, each new journey representing a sense of discovery. His style straddles a fine balance between aesthetic and function, ensuring spaces are exciting and comfortable whilst also blending both present and past. When not at the London studio, he enjoys spending time at his country home, Ven House, or out at sea, with his partner and two dogs.
