

## **INTERIOR DESIGNER**

Studio Indigo is looking for a passionate, highly motivated and creative Interior Designer to join the team.

The ideal candidate would have experience in high-end residential design, understand the interior design process and will bring a strong work ethic to the team.

Studio Indigo is a dynamic collective of Architects, Technicians and Interior Designers working all under one roof in a highly collaborative and fun environment; working on a range of residential, commercial, hospitality and yacht project in London and internationally.

### **Role & Responsibilities**

- Assist Project Managers and Senior Interior Designers in design development and sourcing
- Develop mood, concept and presentation boards
- Concept development
- Produce technical drawings and elevations
- Materials research and trend reports
- FF&E selection and specification
- Liaise with architects, consultants, specialists and suppliers.
- Experience using Esti PC

### **Required Skills & Experience**

- 2 – 3 years' experience within in residential design
- Experience producing concept/mood boards for presentations
- Excellent design and space planning abilities
- Eye for design
- Previous experience with design detailing and specifications
- Excellent working knowledge of AutoCAD, Photoshop and InDesign is essential
