

SENIOR INTERIOR ARCHITECT

Studio Indigo is looking for a Senior Interior Architect with over 5 years' experience in all phases of project, from concept development to technical design and construction.

The ideal candidate will have experience leading projects with an architecture background and have a passion for design.

Studio Indigo is a dynamic collective of Architects, Technicians and Interior Designers working all under one roof in a highly collaborative and fun environment, working on a range of residential, commercial, hospitality and yacht projects in London and internationally.

Role & Responsibilities

- Pitch work and lead concept design. Developing design from original brief through to completion
- Producing mood presentations using images/sketches/ samples etc to best communicate ideas and suggestions
- Space planning to clients' brief. Producing technical drawings — including plans, sections, elevations and details
- Understand and produce architectural and FF&E drawings, schedules and specifications
- Coordinate and communicate well, particularly when dealing with other consultants and suppliers
- Design development and technical design
- Attend client meetings in a confident and professional manner
- Attend site, factory and supplier visits and be comfortable with all stages of the construction process
- Technical drawings and coordination, developing schemes, reviewing shop drawings

Required Skills & Experience

- 5 years minimum experience within high-end residential design
- Excellent attention to detail
- Ability to adapt and respond to a clients' changing requirements
- Show sense of scale and ability to think 3-dimensionally
- Demonstrate good understanding of materials and construction techniques
- Work autonomously and show a pro-active attitude
- Communicate effectively with team members internally
- Demonstrate confident presentation skills and design team communication
- Manage multiple projects simultaneously
- Working to a deadline in a fast paced, busy environment
- Experience in AutoCAD, Adobe Photoshop, Adobe In Design, SketchUp, Microsoft Excel

- Hand sketching is not essential but advantageous
-

Culturally, we take pride in the way we work and what we achieve. We strive to be a diverse workforce that is representative of our audiences, and where all can thrive and belong.
